This report includes payments within a category of payment that are made to the same payee, if the total amount of all those payments during the financial year was at least CAD\$100,000 (US\$77,000). For purposes of determining whether a series of payments constitute payments to the same payee under the Act, the Reporting Entity has grouped together departments, ministries, trusts, boards, commissions, corporations, bodies or other authorities that perform or are established to perform a power, duty or function on behalf of a particular level (e.g. national, regional, municipal, local authority) of a particular government.

All amounts are reported in United States (U.S.) dollars, the reporting currency of the reporting entity. Payments denominated in currencies other than US dollars are translated for this report at the exchange rate in effect at the payment date. The following are the weighted average exchange rates to U.S. dollars for 2018:
 Colombian Peso 2,956:1
 Peruvian Nuevos soles 3.3: 1

Royalties paid in kind have been valued at monthly adjusted realized price. All other payments in kind and infrastructure improvements are reported at historical cost.
