Additional Notes:

Payments have been reported on a cash accounting basis. All number have been rounded to the nearest US\$10,000. This report includes payments within a category of payment that are made to the same payee, if the total amount of all those payments during the financial year was at least CAD\$100,000 (US\$75,000). For purposes of determining whether a series of payments constitute payments to the same payee under the Act, the Reporting Entity has grouped together departments, ministries, trusts, boards, commissions, corporations, bodies or other authorities that perform or are established to perform a power, duty or function on behalf of a particular level (e.g. national, regional, municipal, local authority) of a particular government.

All amounts are reported in United States (U.S.) dollars, the reporting currency of the reporting entity. Payments denominated in currencies other than US dollars are translated for this report at the exchange rate in effect at the payment date. The following are the weighted average exchange rates to U.S. dollars for 2020:
1 COP = 0.0027198 USD
1 PEN = 0.26992 USD

Royalties paid in kind have been valued at monthly adjusted realized price. All other payments in kind and infrastructure improvements are reported at historical cost.

Frontier's subsidiary, CGX Energy Inc. (ESTMA ID: E331794) whose financial information is fully consolidated in Frontier's consolidated financial statements, has elected to file a separate, stand alone ESTMA report. None of CGX's payments are included in this report however, payee aggregation and application of the \$100K threshold has been done on a consolidated level.
